Serving Those Who Served Our Country

Mattapoisett's American Legion Holds Cookout for Hospitalized Vets

This past Tuesday afternoon, some 24 American war veterans who are permanently housed at Brockton's Veterans Administration (VA) Hospital enjoyed a traditional cookout at Mattapoisett's scenic Ned's Point courtesy of the town's Florence Eastman Post 280 American Legion.

Started last year by members of the local American Legion post, the event affords a number of sick and disabled vets the rare opportunity to get out and enjoy the company of their fellow patients and the beauty of a wonderful landscape in a town which is full of such panoramic sights.

Event Co-Chairman Tony Rapoza said he was pleased to hold this important function for the second consecutive year and he hopes the post will continue the tradition annually.

"This started with a program where we went to the VA hospital every fourth Thursday of the month," he said. "We played bingo and entertained the patients. Last year it was suggested to us it would be a good idea to get (the patients) out for the day and we decided to go ahead and have a picnic here in town."

This year's turnout fell a little short of last year's total and was also less than the number anticipated by legionnaire volunteers. "There was supposed to be at least 40 vets attending today, but due to cutbacks (at the hospital), we only had a couple of dozen who were able to attend," Mr. Rapoza said. "Unfortunately, there was not enough personnel to accompany them down here."

Despite this, however, both the patients and legionnaires enjoyed a wonderful afternoon in the shadow of the Ned's Point lighthouse under hazy skies which managed to fend off forecasts of thundershowers. The VA patients enjoyed grilled hamburgers, hot dogs, homemade potato salad and baked goods under a shade-giving tent, while their fellow veteran legionnaires worked to serve them from inside the shade shed permanently located at the site.

Event Co-Chairman Michael Lamoureux proudly worked the grill to ensure that each burger and hot dog was cooked to perfection. "I think it's great for these guys to get an afternoon out like this," Mr. Lamoureux said. "And part of our function as an American Legion post is to give something back to the people who gave service to their country."

"The Legion is an excellent group," agreed Brockton VA Hospital Recreation Assistant Tom "Scottie" Welsh. "They really go all out for the patients ... and the patients enjoy coming out here. I wish we were able to bring more of them here this afternoon. But I'm very glad to see they're keeping this up."

In addition to a volunteer work force comprised of Legion members along with their family and friends, several local businesses also contributed to the event's success by donating their services either free of charge or at reduced rates.

"We'd certainly like to thank Chase Canopy for donating the tent and the grills to us," Mr. Rapoza said. "We also appreciate Romeo's Package Store for donating the ice and Mike Pinard of Porky's Quality Meats for providing the hamburgers and hot dogs at cut prices."

All leftover food from the event was to be distributed to needy families throughout Mattapoisett by the St. Vincent de Paul Society and "Mudgie" Tavares.

One thing is certain, those who attended were certainly treated to a memorable afternoon.

"It's too bad that cutbacks have to affect the people who really need it," Mr. Lamoureux said. "It would have been nice if all the patients could have attended ... but at least we were able to provide those who did with a nice afternoon."

Mattapoisett Selectmen's Meeting

August 17, 1993

By Bethany Morgan

A regular meeting of the Mattapoisett board of Selectmen was called to order on Tuesday evening, August 17 at 7:15 pm by Chairman John N. DeCosta Jr. Also present were Selectman Daniel O. Mahoney, Selectman Paul E. Lambalot, and Executive Secretary Carol Adams.

The Selectmen first discussed the incoming correspondence for the week:

• From Old Colony Regional Vocational Technical High School District Committee, a letter informing the Board of their unanimous decision to approve the 1993-1994 Operating and Maintenance Budget at $124,44.22, a drop from last years budget of $176,969.

• From Massachusetts Department of Revenue, Division of Local Services, the board received the Cherry Sheet for Fiscal Year 94. Estimated Receipts for the Town is $32,017 of which $25,477 is attributed to Chapter 70 school programs.

• From Charles A. Morgan, a request for the town to consider paying a percentage of medical insurance coverage for the survivors of retired employees. The letter compared Mattapoisett's contribution, 0 percent, with that of Marion, 50 percent and Plymouth County, 90 percent. The board will take this matter under consideration.

• From the Buzzards Bay Action Committee (BBAC), a letter advising the Board of the availability of funds to increase the number and effectiveness of boat pump-out facilities. Executive Secretary Carol Adams informed the Board that the funds apply to both private and public facilities. Selectman Lambalot mentioned that educating the boaters of the free pump-out services would increase the pump's usage.

• Copy of a letter from Officer Paul Magee to Police Chief James F. Moran about complaints received about the intersection of Marion Road, Beacon Street and Ship Street due to several recent accidents at the location. Officer Magee noted that accidents have been caused by motorists who are unfamiliar with the area. Officer Magee recommended that a sign be erected on Marion Road which would state "Dangerous Intersection Ahead," along with an arrow indicating the flow of traffic.

Following the signing of the payroll and bills, a concerned town resident, Jim Wheeler of 8.5 Water Street, expressed his dismay at the number of lights erected at Shipyard Park saying, "It looks like Tinseltown." Four lights, recently installed along Water Street, were Mr. Wheeler's chief concern. "I live there and I'm opposed to it," he said. Selectman Mahoney thanked Mr. Wheeler for sharing his concerns with the board.

Next the board addressed licenses, permits, and correspondence. Selectman Mahoney moved and the board agreed to accept the Release Form in connection with the claim of damages against East Coast Disposal for failure to perform, along with a

Selectman Mahoney then moved and the board agreed to sign the Acceptance and Orders of Taking for Melissa Anne Lane, Michelle Lane, and Summer Street. The board unanimously agreed. Selectman Mahoney next moved and the board agreed, to grant the request for ComGas to obstruct and disturb the surface of 11 Industrial Drive for the purpose of installing a new gas service. Executive Secretary Carol Adams informed the board of continued engine trouble with the truck currently used by Shellfish Inspector Brian Nunes. Selectman Lambalot stated he would speak with John Bowman and look into the situation.

At 8:00 pm, the board met with the Landfill Ad Hoc Committee consisting of Selectman Daniel O. Mahoney, Donald Preissler, and Bob Field. The purpose of the meeting was to discuss concerns of the towns ability to pay the landfill close out costs

raised by town residents during the last Annual Town Meeting. Mr. Mahoney presented a fact sheet outlining the history of the Sanitary Landfill Enterprise Fund. Retained earnings for FY 9191 were $205,488; for FY 92, $413,117, and for FY 93, an estimated $669,204.81. Mr. Field said, "I would like it to be higher but, we have over half of what we need." Mr. Field further explained that on August 15, 1993, the Ad Hoc Committee filed an extension with the state requesting the landfill close out take place in 1995. Selectman Lambalot asked whether the close out costs will dramatically increase with such an extension. Mr. Field stated that it would not. Mr. Preissler then said one of the issues the Ad Hoc Committee addressed concerned how long the landfill must remain open in order to meet the projected closing cost of 1.3 million dollars.

Mr. Field answered that it will take another four years to meet costs with the Landfill Enterprise Fund retaining earnings of one-quarter million per year. With the extension being a two and a half year period, the Committee is considering other alternatives. One alternative would be to increase the rate per ton though Mr. Field said the increase in funds would be limited as the town's current rate is competitively high. Another alternative would include a two week pick-up to allot time for residents to sort recyclables This would help, along with composting and SEMASS, to reduce the amount of garbage to be deposited within the landfill. Another is the consideration of

regionalization and transfer station. Mr. Mahoney closed the meeting stating that these issues will be presented in a more concrete manner at the next Annual Town Meeting.

At 8:30, the board met with the Board of Assessors, Personnel Board, and the Finance Committee to discuss the Assessors' Administrative Assistant salary. In order that the Board of Assessors employ a highly qualified and equally skilled person for the position, a salary increase of $31,000 was offered to fill the immediate need. Because the person to be contracted would not begin her role as Administrative Assistant until six or more weeks into the 1993 fiscal year, Michael O'Brien of the Board of Assessors, reasoned that the money not spent due the late start could be tacked on to the fiscal 1993 salary at no expense to the town.

Elizabeth Kunz of the Finance Committee felt that because the town's residents approved an annual salary of $29,000, the Board of Assessors should place an article requesting the adjustment during the Special Town Meeting. Selectman Lambalot was in support of Ms. Kunz. Selectman Mahoney then requested the Board of Assessors

Marion Selectmen's Meeting

August 17, 1993

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday evening, August 17 at 7:04 pm by Chairman James S. Dougall. Also present were Selectman Loretta B. Schaefer, Selectman Albert E. Winters, Executive Secretary Ray E. Pickles, and Secretary Helene Craver.

After signing the warrants and payrolls for the last two weeks and approving the minutes of the August 3, 1993 meeting, the board met with the Elderly Housing Committee to discuss their role in seeking applicants for the new Marconi Village property and other such duties as a newly-formed board in town. Members of the committee wanted to know how they should approach such concerns and asked for guidance from the Selectmen.

As far as the Marconi Village property is concerned, Selectman Schaefer noted that the committee should clear any incoming applicants with SK Properties as they have already made arrangements to go through the Housing

At 7:15 pm the board met with representatives of Ichabod Lane to further discuss their pending betterment problem. Maurice Smith briefly outlined a series of events which led to the drafting of a final proposal for the site and wanted to know why certain decisions weren't made within the Conservation Commission (ConCom) and why individual members had sought the advice of outside engineers in the project.

"Were any written orders submitted by the Conservation Commission to make changes in the original plan for Ichabod Lane?" Mr. Smith asked.

Engineer David Hill, who was present and worked on the project, said that the changes made were done with the knowledge and approval of the ConCom.

ConCom Chairman Horace Kenney also concurred with Mr. Hill and said that all decisions

made on this and other projects are done so during an open meeting with a quorum vote (4) of the seven-member commission. "That doesn't mean there aren't times when individual members wouldn't discuss project with other town officials or professionals," Mr. Kenney said. "It's not uncommon for members to discuss a project with engineers in order to get their professional input."

The bottom line for the representatives of Ichabod Lane was who was going to pay for the additional engineering and contracting costs for things which were added to the original plan and had not met the residents' approval. "Anything that is done now (on Ichabod Lane) is going to be an added expense, there's no question about it," Department of Public Works (DPW) Superintendent Rob Zora agreed. "I think that's what the residents are most concerned about."

Planning Board member Albert W. Caron, Jr. seemed to agree that the residents of Ichabod Lane shouldn't have to bear the costs of these additional modifications if they weren't duly notified of them. "If, in fact, Mr. Smith and his group was not informed of these changes, they should not have to pay for extended engineering fees," he said. "If they were not consulted, I would recommend that the Board of Selectmen find a way to absorb these additional costs in order to solve this problem."

The board agreed to take all of the comments and suggestions under advisement and would offer a solution during a public hearing slated for

September 14.

At 7:55 pm members of the Planting Island Causeway Association came before the board to discuss possible plans for repaving and/or improving the road across the causeway. Jacob Grainger spoke on behalf of the residents present and asked that the board consider taking some action to resurface the road which has been left in poor condition since Hurricane Bob.

"We are very concerned about the road surface," he said. "It's very bumpy and dusty and we'd like to see if anything could be done by the town to help us resurface the road somehow."

DPW Superintendent Rob Zora agreed the causeway needs work in order to keep down the dust and even out the rough surface. "The dust control is a definite problem out there," Mr. Zora said. "Some time ago we decided to raise the road and wet down the surface whenever possible. We haven't done any work on it since ... I would recommend paving the road with hot top, but I'm also concerned that anything that runs off the road would pollute the water."

Mr. Pickles also concurred that paving the gravel and dirt road with either asphalt or a

penetrating seal would require approval from the state Department of Environmental Protection (DEP).

ConCom Chairman Horace Kenney, who also agrees that the causeway desperately needs to be resurfaced, said he doesn't feel the DEP would readily approve such a project. "I won't stand here and say you won't get the approval," he said. "But I think you may have a problem and personally I'm not sure a black top surface is the most environmentally sound approach."

Resident Norma Hagen was adamant that the road needs repair as it is dangerous in its present condition. "The road is essentially a safety hazard and I think it's time someone decides what to do to rectify this situation," she said.

Selectman Winters agreed that he didn't have any objections to checking with the DEP to get an opinion from them as to what would be the most

economical and environmentally sound choice to repave the Planting Island Causeway.

"I would move that we set up a meeting with the appropriate officials from the DEP and discuss this matter at a later date," Selectman Schaefer concurred.

At 8:40 pm representatives from the Tremont Advent Christian Campground and neighboring residents from Oakdale Avenue came before the board to discuss the pending sewer tie-in and betterment approved for the road at the last Annual Town Meeting in April.

Attorney John Collins, who spoke on the campground's behalf, said he had received a memo from Executive Secretary Ray Pickles suggesting an alternative to the campground member's having to pay the full assessed value for their betterment in order to tie into the sewer line. Two weeks ago Mr. Collins came before the board to stress how since the cottage owners at the religious facility own only the buildings and not the real estate property and since they use the property only one or two weekends a year, they didn't feel justified in paying the full betterment amount.

As an option to further the project along under the pending contract, Mr. Pickles proposed that a piece of property known as the Penny Lot be purchased from the church at its assessed value of $80,000 and the credit for said property be applied toward the various cottage owners to decrease their

betterments. The lot will then be utilized by the town for placement of the pumping station.

"We're trying to get this project to move forward so that everyone will be able to afford the sewer tie-ins," Mr. Pickles said. "This is the only section in this area of town which is not tied into the sewer line."

Many of the Oakdale Avenue residents were strongly opposed to this compromise, as they would still be assessed the full amount of the betterment.

"This was all approved at the Annual Town Meeting in April," said one property owner. "There was no one there from the campground at that time to object. Hammett's Cove needs to be preserved for future generations and I think we all need to put in our fair share."

Another resident, James Crabtree, was also against the town's purchase of the property in order to help the church. "This would mean all the taxpayers in town are buying a piece of property from the church to help them out," he said. "I don't think that's fair. They've been down there a good many years paying next to nothing. If they can't afford to pay their taxes, then let them sell their property."

The board agreed to discuss this matter with the Finance Committee (FinCom) and see if a Special Town Meeting could be set up to approve Mr. Pickles recommendation, as the purchase of the Penny Lot property and permission to make arrangements with the campground would require the approval of a Town Meeting vote.

Dr. Davis Gallison, Chairman of the Board of Health, then came before the board to ask if something could be done to either provide his board with a full-time secretary or hours could be shuffled to accomplish the numerous clerical duties needed for his board's successful function.

"We were behind on two sets of minutes from our last meetings and I think we need a full-time secretary so we can do our job," Dr. Gallison said. "I would suggest hiring someone for 40 hours a week, or at least 20 hours if you can afford it."

The board and Mr. Pickles agreed they would consult the FinCom and ask if there was additional money available in the budget to pay these needed hours.

The establishment's current license allows for the sale of alcoholic beverages from 12:00 noon to 1:00 am on Sunday. The Alcoholic Beverages Control Commission (ABCC) has agreed to allow the change if the Board of Selectmen approved the same as the local licensing authority.

The board unanimously voted to grant the request.

Police Chief Brian J. Scott sent the board a memo informing them of his review of Rocky Knook Lane as per their request. Chief Scott recommended that the Board of Selectmen consider placing street lights at appropriate locations along the road to greatly improve the safety of the street.

Selectman Winters moved that a study be conducted for placement of said lights and further discussion be conducted on this matter at a later date.

There being no further matters to come before the board, they adjourned for the evening at 9:35 pm.

Rochester Selectmen's Meeting

August 16, 1993

A regular meeting of the Rochester Board of Selectmen was called to order on Monday evening, August 16 at 7:00 pm by Chairwoman Lorraine Roy Hawkes. Also present were Selectman David L. Hughes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the August 2 meeting, Chairwoman Hawkes began going over incoming correspondence for the week, starting with an informational letter from Congressman Barney Frank regarding the incineration of PCB's in New Bedford harbor and alternatives to this hazardous method. Rep. Frank said he is working toward getting the Environmental Protection Agency (EPA) to change their mind about this proposed plan by offering safer, economical alternatives to PCB burning.

Marion's Department of Public Works Superintendent Robert C. Zora sent a memo to the Board of Selectmen advising them that the water restrictions for outside watering have been lifted as of August 3 per order of the Marion Water Commissioners. Mr. Zora asked that water conservation still be maintained and outside watering is recommended for early morning or

Robert B. Hiller, III submitted his resignation from the town's Board of Appeals as of August 2, 1993. Mr. Hiller cited increased business and personal responsibilities as his reasons for leaving his longtime position with the board. Selectman Hughes asked that the board accept Mr. Hiller's resignation, with regret, and moved that a letter of appreciation be sent to him for his years of service.

Since Selectman Hughes noted that the Board of Appeals should first recommend a full-time replacement from their pool of alternates, Chairwoman Hawkes asked that anyone interested in serving as an alternate on the Board of Appeals contact them c/o Town Hall. If no recommendation is made from within the Board of Appeals, the Board of Selectmen will select someone to fill the vacancy created by Mr. Hiller's resignation.

Chairwoman Hawkes noted a letter was received from Kathleen M. Massey, 500 New

Bedford Road in Rochester, expressing interest in serving as the town's Dog Officer. According to the letter, Ms. Massey had served as the Assistant Dog Officer in Fall River for 4 years and currently works part-time as the Assistant Dog Officer/Shellfish Officer in Mattapoisett. Chairwoman Hawkes was concerned that the letter was unsigned, but the board agreed to keep the letter on file and take the matter under consideration at their next meeting (August 30).

Planning Board Chairman Roger A. Pelletier requested permission from the Board of Selectmen for his board to seek Legal Counsel regarding questions and clarifications over the Gingrass property on Snipatuit Road. The Selectmen unanimously agreed to allow the Planning Board to seek Legal Counsel in this matter.

The board received a check for $143,571.63 from SEMASS for 72,897 tons collected for the month of July.

Police Chief Walter V. Denham requested a transfer of funds to repair and/or replace the bathroom floor in the Police Building (trailer). According to Chief Denham, due to a water leak, the floor has rotted away and the toilet is leaning at an angle causing further water to leak out of the tank. Chief Denham asked that the board authorize him to obtain a transfer from the Finance Committee (FinCom) to rectify this urgent situation.

The board agreed to ask FinCom Chairwoman Pat Ryan about this request during her upcoming appointment with the board.

At 7:15 pm, the board met with Ms. Ryan to discuss the recently released Cherry Sheet figures reflecting the disbursement of state aid to the town. Ms. Ryan's comments were both promising but guarded, as some of the figures presented in the Cherry Sheet have already been altered.

"We have (a Cherry Sheet), but it's not cast in stone," she said. "There have already been some changes and there may be further adjustments

before long."

Ms. Ryan noted that a meeting was held that afternoon in Boston to discuss the pending Education Reform Bill which will have a direct impact on state aid. Although all town and city officials were supposed to have been notified of this meeting, no one in Rochester or the tri-town area was aware of it. Luckily, Ms. Ryan caught wind of the meeting and managed to attend.

"From all early estimates, it looks like we're going to be okay," she said. "Once all the bugs are ironed out, we shouldn't have a problem. We could be looking at $200,000 to the good if everything passes. Of course, all these figures are subject to state appropriation."

Rochester managed to get a good amount of Equity Aid since it spends well above the state average per pupil spending amount of $9.40 per $1,000. Currently, Rochester spends about $12.70 in taxes per $1,000 on each pupil. In the K-6 area, however, the town fell a little short of the recommended state expenditure, which could result in the town's having to add another $20,860 to the Memorial School budget.

But, according to Ms. Ryan, on the high school level the town kicked in $93,004 for Old Rochester Regional High School and $12,806 for Old Colony Regional Vocational Technical High School. Having spent well over the recommended amounts on both these schools, Ms. Ryan said she feels the money should come back to the town as state aid will appropriate these monies to the schools.

"Because we have overbudgeted according to the state average, I suggested (to the superintendents that) it would be politic to return this money to Rochester," she said. "Every taxpayer in Rochester spends more of their tax dollar on education than anything else."

Like everything else, however, all these figures and dollar amounts hinge on approval from the state ... and Ms. Ryan noted that Governor Weld

has until August 19 to sign the proposed budget package. At that point, all the cities and towns in the Commonwealth will have a better grasp of where they stand for the new fiscal year.

Ms. Ryan then recommended that Police Chief Denham go out for bids on the repair and/or replacement of the bathroom floor at the station and Chairwoman Hawkes asked that Ms. Ferreira send a memo to Chief Denham requesting an estimate for the repair.

At 7:40 pm, John Lafreniere came before the board to discuss the possibility of joining in with the Carver/Marion/Wareham Regional Refuse District in acquiring a parcel of land on which to build a regional transfer station. Mr. Lafreniere explained that much of the proposed project is still in the early stages and he would suggest waiting to have solid costs and expenditures in mind before proceeding.

"We need to discuss the relative costs to each town before going in on a regional project like this," he said. "We may still want to consider a transfer

station of our own ... but I think it is something we would be interested in looking into." Mr. Lafreniere informed the board that he will be in contact with Marion's Executive Secretary Ray E. Pickles later this week and will let them know if he has a further update.

The board next considered and approved the Police Department's revised Rules and Regulations, with an exception from Selectman Hughes on Section 13.8 governing the smoking of tobacco products by members of the department.

"If an individual is out socializing and smokes a cigarette, I don't see any problem with that," he said. "I don't agree with it as written. A person's private life is their own."

But both Chairwoman Hawkes and Selectman Murphy said they thought it was beneficial for the health of the officers and for their image as public servants. The rule is also backed by a similar statute in the Massachusetts State Laws.

"If this was just a local rule or regulation, I could understand your objection, but the state agrees with this," Chairwoman Hawkes said.

"On or off duty, the officer represents the town," Selectman Murphy concurred. "I think it should remain in place."

The board then unanimously voted to appoint Carol St. Don of Braley Hill Road as the

When you're shopping for a mortgage... it's time to talk to a mortgage specialist at NBIS.

Buying, building or refinancing is a major long term investment. That's precisely the reason to visit NBIS. The biggest involvement in the communities NBIS serves is making mortgages.

And, because NBIS has been providing mortgages since 1825, the NBIS specialists are knowledgeable and experienced in helping you choose the right kind of mortgage for you... plus they guide you with sound advice on what precautions to take when making one of the most important investments of your lifetime.

If you haven't gotten to know us yet, please stop in... we'd like to introduce ourselves.

Democratic representative to the town's Registrar of Voters. They also signed and approved several appointments as Election Workers for the town and approved the Local Official Bond Certification for Thomas Gayoski, Jr. as Tax Collector.

Under New Business, Selectman Hughes asked that a letter be sent to the owners of Towne Pizza at the Plumb Corner Mall, advising them of possible violations of their Liquor License in staying open after regular business hours and serving liquor to a minor during last weekend's carnival. "I would just like a letter sent to them warning against this practice," Selectman Hughes said. "They aren't permitted to stay open after 11:00 pm and they certainly shouldn't be serving liquor to minors."

There being no further matters to come before the board, they voted to go into Executive Session at 8:35 pm, after which time they would come out of the session only to adjourn for the evening.

Crichton's *Rising Sun* is a Standard Techno-Thriller

By Kenneth J. Souza

• *Rising Sun. Starring Sean Connery and Wesley Snipes. Directed by Philip Kaufman. Rated R (violence, language, nudity, sexual situations).*

Anyone going into *Rising Sun* expecting the same "family-safe" plotline from the man who set otherwise endearing prehistoric dinosaurs on a rampage in *Jurassic Park* may be in for a bit of a surprise. Although the earlier summer blockbuster caused a stir of debate over some of its more

gruesome and explicit scenes of violence, the truth of the matter is most of the more graphic scenes were either excised or greatly toned down in Steven Spielberg's "sanitized" screen version.

Nevertheless, it made for a fun, action-packed romp which is close to becoming one of the biggest screen hits of all time ... and certainly ranks among the top three movies of a very impressive summer season.

Michael Crichton's more recent exploration into the workings of Japanese business in America and its cutting edge exploitation of technology takes a different approach to entertainment, and in the hands of director Philip Kaufman *(The Right Stuff,*

The Unbearable Lightness of Being) it becomes a sleek, albeit standard techno-thriller.

Sean Connery — who seems to effortlessly take on new and more challenging roles every year — plays a mysterious and broadly drawn liaison between the local police and Japanese businessmen who is partnered with Wesley Snipes, a by-the-book police investigator whose jaded past makes him volatile and dangerous. Both men are called in to help investigate the murder of a beautiful, modelesque American woman.

The problem is, the woman has been killed in a prominent Japanese businessman's high rise during a high stakes battle to overtake an American software company.

In order to avoid "making waves," the company's own security personnel works like a mini-CIA to keep things quiet about the murder and — as it turns out — to hide the true killer's identity and frame another for the crime.

The odd pairing of Connery and Snipes seems to gel halfway through the film, when both men's questionable methods come into play to help solve the crime. Connery remains the all-knowing teacher — a man who has earned the respect of the Japanese by understanding and appreciating their culture. He is also deemed untrustworthy by the American cops who think he's a Japanese

sympathizer. Snipes is the outsider who learns that discrimination affects all races, including his own. He, too, feels the pressure of not only "fitting in" with his fellow officers, but of doing what is right rather than what is acceptable.

Although the plot is somewhat convoluted and much of the loose-fitting ending doesn't seem to advance the storyline (especially a silly Kung Fu-style fight where Connery and Snipes are pitted against some Japanese heavies and an even more pointless epilogue involving Connery's live-in lover/girlfriend and Snipes), there was enough intrigue to hold my interest throughout the better than two-hour film.

And a fine supporting cast made the film that much more watchable — especially the always superb Harvey Keitel *(Reservoir Dogs, Thelma and Louise)* as a wise-cracking, could-care-less Los Angeles cop; Ray Wise *(Twin Peaks)* as an exuberant U.S. senator; and an interesting cameo by Steve Buscemi *(Reservoir Dogs)* as "The Weasel," a nosey newspaper reporter who painfully pokes into Snipes' shady past.

Overall, *Rising Sun* certainly isn't one of Michael Crichton's more innovative stories ... but it does make for mild entertainment and a thoughtful examination of the extremes some people will go to clinch a business deal and — to borrow one of the film's recurring themes — "save face."

Collectors will appreciate our selection of delightful, original teapots, attractive for both display and year-round tea parties. Many styles available.

Volunteers Needed

Occasionally the Senior Van goes to the mall, ball games, and other places for the day. We need a volunteer to pick up a couple of seniors and bring them to the meal site at Village Court and then return them home. It involves about one hour usually once a month. If you are able to do this service please call the Council on Aging at 758-4110.

Marion SHARE

Pick-up day for the month will be August 28 from 12:00 noon to 1:00 pm at the Marion Social Club. Please bring your receipt plus a count of volunteer hours and $14 cash or food stamps (no checks, please).

You may also register on that day for the September 25 package or on August 30 from 11:30 am to 12:30 pm at the Marion United Methodist Church, corner of County Road and Route 105. For further information, contact your hosts at 748-0840 or 748-2933.

Final Two Weeks to Reminisce at Museum

Two weeks remain in the 1993 summer season at the Mattapoisett Museum and Carriage House on 5 Church Street in Mattapoisett.

If you haven't been in to see the exhibit "All in a Day's Work," please plan to make that visit before August 29. There are things in this exhibit that will be a reminder to many of earlier days as well as things to amaze the "youngsters" of the ingenuity of those earlier New England Yankees. Such things as

On Tuesday, August 24, Ginny Rowland will be at the museum demonstrating the art of Basket Making. Many are familiar with the fine work Ginny does and we hope you will come by and see her latest creations.

The museum is open Tuesday through Saturday, 1:00 to 4:30 pm. Admission is $2/adults, 50 cents/children. And, don't forget, our new cookbook "Tried and True Recipes" is on sale at the museum along with the gazebo and Town Hall ornaments and "Wanderer" notepaper.

Plumb Library Concludes Summer Reading Program

The final party of the Plumb Memorial Library Summer Reading Program was held on Monday, August 9 at 6:30 and over 60 people were in attendance. Program participants received reading certificates and special coupons for free prizes. The following people won prizes in the reading raffle: Robert Pauline, Michael Morris, David Vaut, Meredith Pauline, Kelly Gibbons, Nicole Larsen,

Beth Pierce, and Janet Laine. Balloons were handed out to the following readers who put in an extra special effort over the summer: Carrie Morris, Michael Morris, Melissa Rigby, Thomas Pierce, Lori Costa, Meredith Pauline, Nicole Larsen and Beth Pierce.

Artwork by the following children and young adults will be on display at the library for the rest of the summer: Liz Koczera, Meredith Pauline, Sarah Dupont, Stephanie McGraw, Elise Zablowsky and Lauryn Corrie.

The library would like to congratulate all of the participants in the Summer Reading Program for an excellent effort. Readers logged in over 1,000 books during the month of July alone! It was great to see people coming in each week to take out their books, participate in the story hours and craft programs, and use the library to its fullest.

Finally, the library would like to thank the extraordinary efforts of the many volunteers who made the Summer Reading Program a success. Debbie Martin, Carolyn Mello and Janet Bejtlich ran fun and creative story and craft hours throughout the five weeks. Kelly Gibbons and Allison Rossi led a very successful craft program for young adults. The Friends of the Library also provided funding for craft supplies, raffle prizes, stickers, refreshments and more. Finally, the following people volunteered their time with enthusiasm and good humor: Pat Lafleur, Sasha Vaut, Wendy LeClair, Judy Gibbons, Donna Costa, Jane McGraw and Pamela Blair. To all the other moms and dads who helped out during the five weeks: a special thank you.

Once again, the library would like to also thank the following businesses for donating reading incentive prizes and raffle prizes: Towne Pizza and Restaurant, Country Charm Flower Shop, Movies & More, Ansel Gurney's, Donna's Cookie Jar, Dempsey's Village Sampler, McDonald's of Middleboro, and Burger King of Middleboro.

ORR Graduate Selected for Navy Captain

Joan E. Darrah, a 1969 graduate of ORR High School and the daughter of Drusilla Darrah and the late Horace Darrah of Mattapoisett, has been selected for promotion to captain in the U.S. Navy. After leaving ORR, Joan attended Hartwick College in Oneonta, NY, where she graduated Magna Cum Laude and received a BA degree in English education. She was commissioned Ensign in May 1973. Subsequent tours of duty have been in Hawaii, Colorado, Washington, D.C., Spain, Newport, and Maine. Joan is currently assigned to the Headquarters of Naval Intelligence Command in Washington, D.C.

Mattapoisett Woman's Club

The Mattapoisett Woman's Club welcomes all women in the area who would like to become members. Prospective and new members are cordially invited to a light luncheon which will be held on Thursday, September 9 at 12:00 noon at the home of Jean Boyden, 6 Laurel Street.

The Woman's Club, a member of the General Federation of Women's Clubs of Massachusetts, has many service projects and interests, such as scholarship donations, involvement in area nursing homes, veterans' needs, and planting and care of window boxes at the Town Hall, post office, library, nursing home and triangle.

There are also activity groups such as bowling, bridge, fine arts, gardening, genealogy, gourmet and literature.

If you are interested in discussing, joining, or attending the "New Members' Luncheon," please call Lee Yeaton at 758-6415.

school's goals.

Grade 7 orientation is scheduled for September 1. On that day, Grade 8 students *only* will report to the school building. The following day, the seventh and eighth graders will exchange locations and the seventh graders will be able to explore and adjust to the Junior High facility by themselves.

Through a series of planned mini-courses and discussions, the hope is to make clear to the new students those basic values which have been most highly prized at the school, the hopes and expectations for each student, and how they will be guided and assisted as the students seek to achieve their goals.

Arrangements are now being finalized for a lunchtime cookout and everyone is invited to attend a culminating, whole-school GathORRing which is slated for 1:00 pm at the Center.

The orientation location will not produce a change in any student's schedule for the day. The same bus that picks up your child in the morning will pick him/her up at the YMCA Center and deliver them to their neighborhood bus stop. You may, if you choose, take your child home with you from the YMCA Center at 2:00 pm.

Should you have any questions about this or wish to assist with the arrangements, please call Mr. Robert A. Johnson, Assistant Principal, at 758-4929.

Entering Students Require Vaccinations

Entering Grade 7 students must have a second MMR (Measles, Mumps and Rubella) vaccination. Please send written documentation to the school nurse, c/o ORR Junior High School, Marion Road, Mattapoisett, MA 02739, or call 758-4929 for further information.

Lions Club Donates Money and Shed to Town

The Mattapoisett Lions Club recently donated both money and a newly-constructed shade shed to the town of Mattapoisett. Last week Lions Club President Tom Muldoon presented $500 checks to Fire Chief Ronald Scott, Rescue Squad Vice President John DeCosta, and President of the Fireman's Association E. Robert Garde in appreciation of these organizations' ongoing support of Lions Club activities such as the triathlon, Harbor Days, and the recent circus.

The Rescue Squad will be using the funds to purchase an Ice Rescue Sled and the Firefighters will be putting the donation towards the purchase of a Cascade System to fill their air tanks.

Pictured here receiving checks from Lions Club President Tom Muldoon (third from left) are (l. to r.) Rescue Squad Vice President John DeCosta, Fireman's Association President E. Robert Garde, and Fire Chief Ronald Scott.

Earlier this week, members of the club also formally presented the town with a new shade shed which they helped build at Ned's Point to replace the one that was damaged during Hurricane Bob.

The shade shed was built back in May by volunteer members of the club, who also rebuilt the one now located at the town's bathing beach last summer. "We'd like to thank the Lions Club and Jim Shepley and his troop for all they've done for the

Mr. Shepley noted it is projects like this which the club is dedicated to perform. "This certainly falls in line with the club's motto: 'We serve,'" he said.

Project GROW Preschool Seeking Applicants

Project GROW, the local public school early childhood program, is seeking students for the upcoming school year. Anticipated state grants, combined with local funds, support the operation of the program. Project GROW classrooms are located at Center School in Mattapoisett, Memorial School in Rochester, and Sippican School in Marion. All classes run mornings (9:00 to 1:00), Monday through Thursday, and follow the public school calendar. The program is tuition-free. Parents are responsible for providing transportation to and from school each day. Efforts are made to assist parents in forming carpools.

Enrollment is open to all children residing in Marion, Mattapoisett or Rochester who were born between January 1, 1989 and September 1, 1990. Preference will be given to children from low-income families and others in need as determined by the Early Childhood Advisory Council.

The purpose of Project GROW is to provide preschool experience to children whose families have been unable to enroll them in another program and who desire a preschool experience for their child as well as to provide children with special needs the opportunity to receive service in the least restrictive environment. Each class consists of up to fifteen students, the majority of whom are students without special needs. The program is staffed by a certified teacher and an aide. Home visits are an integral part of Project GROW. The teacher visits each student's home regularly throughout the year.

flyers, including return forms, from groups or individuals offering veterans assistance in applying for dividends or in answering questions they may have for fees ranging from $2 to $15 for each request.

The flyers falsely claim that dividends from veteran's life insurance policies are available to any veteran who applies. For veterans who served at least two years in the military, the flyers claim the dividends range from $264 for two years of service and increase for each additional year of service.

The phony applications and flyers, past and present, claim the dividends have been recently authorized by Congress. In fact, there is no such dividend for veterans who do not keep their insurance in force, nor a rebate for active duty personnel. No legislation has been approved or proposed by Congress.

In the past, the hoax applications were unwittingly printed in magazines, newspapers and newsletters, or distributed in handbills. The hoax has caused wasted effort by thousands of veterans, active duty personnel and dependents, and has generated needless labor and mailing expense by VA.

Legitimate insurance dividends are automatically paid, usually on the anniversary date of the policy, to approximately 3 million veterans with active policies in four GI life insurance programs. No application is needed to receive a dividend payment.

Little Night Music," by Stephen Sondheim. The show is probably best known for the poignant song "Send in the Clowns." This elegant and theatrical musical was suggested by a film by Ingmar Bergman and was originally produced and directed on Broadway by Harold Prince. The MAC production is directed by Kurt Guba, a student at New England Conservatory, who recently appeared in "The Fantasticks" and sang with the Sippican Choral Society last spring.

Directed by Kurt Guba, the show orchestra features two pianos and a string quartet. The large cast of talented people from the area includes Danielle Boudreau as Fredrika Armfeldt, Sheila

Everyone is invited to this unique dinner theater. The gourmet picnic will be catered by the Mattapoisett Inn. People should bring their own baskets and blankets, and the Inn and Art Center will fill the baskets with culinary treats, fine wine, and the like.

Please call the Marion Art Center at 748-1266 for tickets and reservations. Space is limited. Tickets are only $8 for students, $10 for MAC members, $12 general admission.

Bregoli-Mason Exhibit

A two-person exhibit of portraits by Jane Bregoli and Fred Mason is now on display at the Marion Art Center.

Ms. Bregoli is well-known in the area for her hauntingly beautiful portraits of 90-plus-year-old Noelie Houle, the famous "Goat Lady of Dartmouth." A graduate of the Massachusetts College of Art with a BFA in Art Education, Ms. Bregoli recently received a Master of Fine Arts degree from the University of Massachusetts Dartmouth.

Mr. Mason's style, which he calls contemporary realism, is specific and contained, with a palette reminiscent of the Impressionists. He has studied at the School of Visual Arts, the Art Students League, the Brooklyn Museum School and New York University. He maintains a studio in Greenwich, CT.

The Bregoli-Mason Portrait Show will be open to the public through September 15. Gallery hours are Tuesday - Friday, 1:00 to 5:00 pm and Saturday, 10:00 am to 2:00 pm. There is no admission charge.

leftover paints, stains and tires on Saturday, August 28 at the Mattapoisett Landfill from 9:00 am to 1:00 pm.

Paint collections greatly reduce the problem of household hazardous waste and the costs associated with it. H20 Coatings, Inc./The Green Paint Company of Manchaugh, MA will accept various types of paints for recycling. These include latex or oil-based interior/exterior house, trim, deck and floor paints and stains, polyurethane, varnish, shellac, turpentine, mineral spirits and thinners.

The company does not accept unlabelled paints, lead-containing paints, epoxies, automotive paints, aerosol containers, lacquers, moisture-cure urethanes, marine or swimming pool paints or penta.

Residents may bring their leftover paints, in original containers only. A user fee of $5 per vehicle will be charged, with a limit of 10 cans per vehicle. The fee for 10 cans or over is $10. Because of large volumes, contractors are advised to bring their paints directly to the factory in Manchaug. The factory telephone number is 1-800-527-8866.

Tires will also be accepted for recycling on the same day. A fee of 50 cents per tire up to 19 inches on or off the rim will be charged. A fee of $3 will be charged for tires over 19 inches.

For further information, please call Dale Barrows, Mattapoisett Board of Health Agent, at 758-4112.

John Cockrell to Perform at Tabor Academy

John Cockrell, tenor, will be appearing in concert on Friday, August 20 at 8:00 pm. The concert will be held at the Fireman Performing Arts Center in Hoyt Hall at Tabor Academy in Marion. John is a native of Marion and an alumnus of Tabor Academy. In 1991 he received a BA in Music from Trinity College in Hartford, CT. He is also a graduate of the National Theater Institute at the Eugene O'Neill Center in Waterford, CT.

John is currently living in New York City. He appeared as Colin in a national tour of "The Secret Garden," which played at the Zeiterion in New Bedford last April. "Passing the Hat," a play written by and featuring John, will be produced in New York this fall.

John will be performing a selection of songs from Broadway theater, accompanied by Michelle Gordon on piano, and several short monologues. Tickets are $10 (general admission) and are on sale in Marion at The Bookstall, the Sitting Duck, the Marion Sports Shop, and St. Gabriel's Church. Tickets may also be purchased at the Opulent Owl in Mattapoisett and the Symphony Music Shop in North Dartmouth, and will be available at the door the day of the show.

St. Gabriel's Church — Marion

Worship Services

Services for Sunday, August 22 and Sunday, August 29 will include Holy Communion at 8:00 am and 10:00 am, both in the Chapel. A service dedicated particularly to prayers for healing and for the ill will also be celebrated on Wednesday, August 25 and Wednesday, September 1 at 12:10 pm.

1994 Every Member Canvass

Building on the success of last year when a large number of parishioners became directly involved in soliciting pledges, the Vestry and Stewardship Committee this year has decided to expand the pyramid to 125 volunteers. Chairman David Arms explained that this will mean direct solicitation only to "Count On Me, Plus One," wherein you ask yourself and one other person.

An even greater change will be in the timing of the campaign. For two reasons — in order to get away from the big holidays and in order to involve summer season parishioners, the kick-off Sunday for the core team will be August 22. Mailings will be going out to start the ball rolling even before that and another official campaign notice in early September. Every Member Canvass Sunday is planned for September 19 with final follow-up telethons before the end of the month.

A great deal of work has been put into making the campaign easier on volunteers, better timed, more far-reaching and, ultimately, the most efficient way to return to God through the Church the earthly means to continue His works. St. Gabriel's Church hopes all connected to the Parish will help in any way they can.

St. Anthony's Church/Mattapoisett Ornaments

Gold ornaments of St. Anthony's Church are ready for purchase as Christmas presents, presents for those who have moved away from Mattapoisett, summer residents who wish to remember their summer place of worship, children who may have been married in the Church or will be getting married soon, or for your own display. The ornaments were designed by George Avila and are being sold for the benefit of a handicap access to the Church. The price for each ornament is $5 and they are available now by calling Eleanor Belanger at 758-6640 or Diane Garde at 758-9029. If no one answers, please leave your name and number. Supplies are limited, so please call soon.

First Congregational Church — Marion

Summer visitors who have not yet visited The Congregational Chapel on Main Street in Marion will want to see this architectural gem when the building is open this month every Wednesday and Saturday. The chapel is home to the Penny Pinchers' Exchange, a consignment shop begun by members of the church in 1976 to raise money to support the mission work of the church and to help maintain church property.

Seventeen years later, the Christian Mission and Outreach Committee continues to benefit from the

hard work of mostly volunteer staff at the shop. Customers who frequent the Penny Pinchers' Exchange are helping to support mission projects in the greater New Bedford area, such as the New Bedford Women's Center, and Habitat International and other projects at home and abroad.

During the month of August, a half-price sale is held to clear the racks of summer merchandise. The shop will reopen on October 2 with all new fall and winter clothing. The PPX is open every Wednesday this month from 10:00 am to 4:00 pm, and every Saturday from 10:00 am to 1:00 pm. The Penny Pinchers will accept new clothing and household items on consignment or as a donation starting in October.

All are invited to attend The First Congregational Church of Marion at 28 Main Street. Worship is at 10:00 am every Sunday morning, with nursery care provided in the vestry downstairs. Older children are invited to participate in a creative crafts class during worship time. The children are excused early from the worship service to attend the class. Sunday School classes will meet again beginning on September 12.

Sailing Races in Mattapoisett

The Angelica Yacht Club will have sunfish sailing races on Saturday and Sunday during August in the following categories: Mighty-mites (young children without experience sailing with an adult), Juniors (16 and younger), Open (17 and up). Races start at 9:00 am. For further information, please call Eric O'Brien at 758-2687.

A powerful prayer to the Holy Spirit -
Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor. Only your initials shall appear at the bottom. G.G.
